Lexia

Our Mission

Create opportunity for every student through the power of literacy education.

Who is Lexia?

Lexia is celebrating 40 years of leading professional learning, curriculum, and assessment solutions.

They are the company that provides LETRS (Language Essentials for Teachers of Reading and Spelling) professional development that is recognized nationally for being grounded in the Science of Reading. In Florida LETRS is approved as a pathway for Reading Endorsement for educators. In Clay County we have cohorts of teachers in the professional learning cycles.

The online learning platform is:
- B.E.S.T.-aligned
- WIDA-aligned
- Science of Reading-based instruction and professional learning solutions
- evidence-based literacy and language solutions
- rich in teacher off-line resources for targeted instruction aligned to science of reading
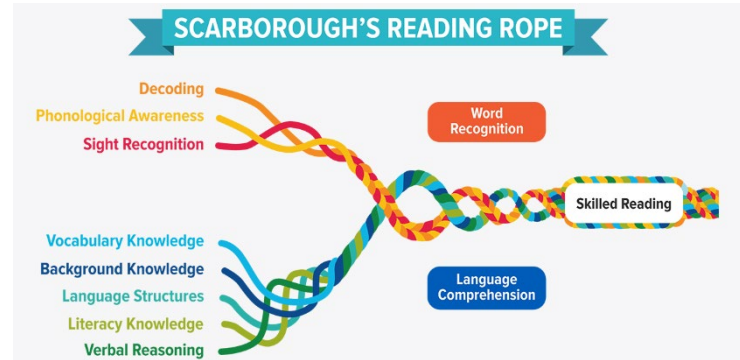

Why Lexia?

How is the Program Utilized?

Blended model of instruction
- **Teacher led learning**
  - Whole group using materials aligned to standards and the 6 components of reading
  - Small group using instructional materials through the Lexia Resource Hub
- **Ongoing Data to Monitor Progress**
  - Prescribed, Real Time, and supports provided
- **Independent work as a review and/or scaffolding of skills**
  - Decodables
  - Skill Builders
- **Computer individualized instruction broken into 10-15 minutes daily**
  - 40 - 60 minutes per week (K-2)
  - 40 - 80 minutes per week (3-5)
  - 45 minutes per week (6)
  - PowerUp currently approx 30 - 80 minutes per week due to change in instructional material

When is Lexia Used in the Reading Block?

Instruction	Approx. Time	Approved Resources
90 minutes Uninterrupted Core Instruction Block	**10 mins**	**Heggerty (K-2)** **K-Kindergarten** **1st-Primary** **2nd-Bridge the Gap**
	8-10 Mins (Day 1 & 2)	**Kid Lips (K-1)**
	20-30 mins (K-2) **(Based on grade level)**	**From Phonics to Reading K-2** *This REPLACES Savvas foundational skills.*
	30 mins: K-1 40 mins: 2nd	**Savvas MyView (Comprehension and Vocabulary) Social Studies resources to be embedded in ELA block:**
	Small Group Targeted Differentiated Instruction	
60 minutes Intervention/ Enrichment Block	**60 mins**	**Materials based on student need Lexia Core 5 (Supplement to the core)** **2023-24 Reading Decision Trees** **Tier 1 Instructional Guide**

Small group rotation would consist of
- Teacher led group
- Student skill work based on weekly instruction
- Lexia computer for individualized skill

9 - 10 min computer work each day = 6% of the Reading Block

When is Lexia Used in the Reading Block?

| Instruction	Approx. Time	Approved Resources
90 minutes Uninterrupted Core Instruction Block	**20-30 min**	**4th Spelling Through Morphographs**
	60-70 mins:	**Savvas MyView** **McGraw Hill** *(pending board approval)* **DBQ (4th/5th)** **Primary Source Project** **History Labs** **Florida Joint Center for Citizenship** **Capstone Library**
Small Group Targeted Differentiated Instruction		
60 minutes Intervention/ Enrichment Block	**60 mins.**	**Lexia Core 5 (Scaffolded Remediation Tool - not an Intervention or Enrichment)** **2023-24 Reading Decision Trees** **Tier 1 Instructional Guide**

3-5
Small group rotation would consist of
- Teacher led group
- Student skill work based on weekly instruction
- Lexia computer for individualized skill

16 min computer work each day= 10.6% of the Reading Block

2023–24 Weekly Core5 Student Usage
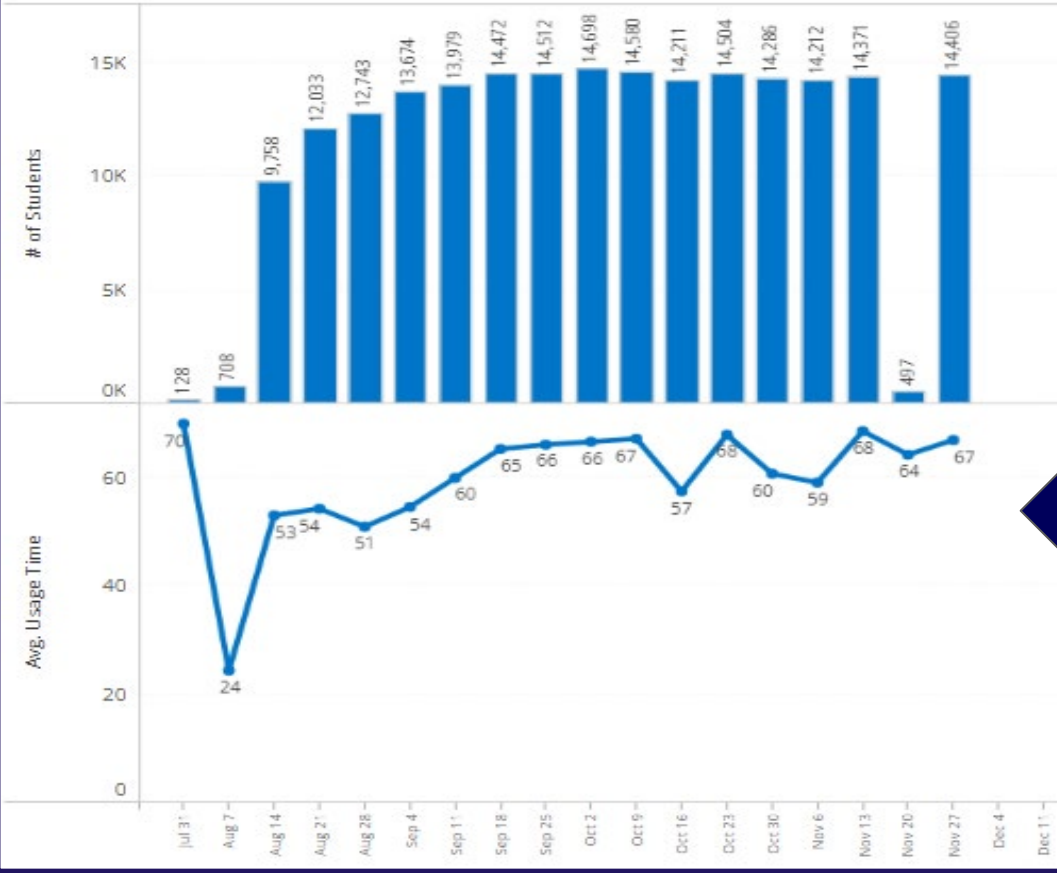

K-5 average of time.
If daily, 13.4 minutes each day.
If 3 times per week, 22 minutes each day.

PowerUp Student Usage YTD 12/10/2023

2023-24 Weekly PowerUp Student Usage
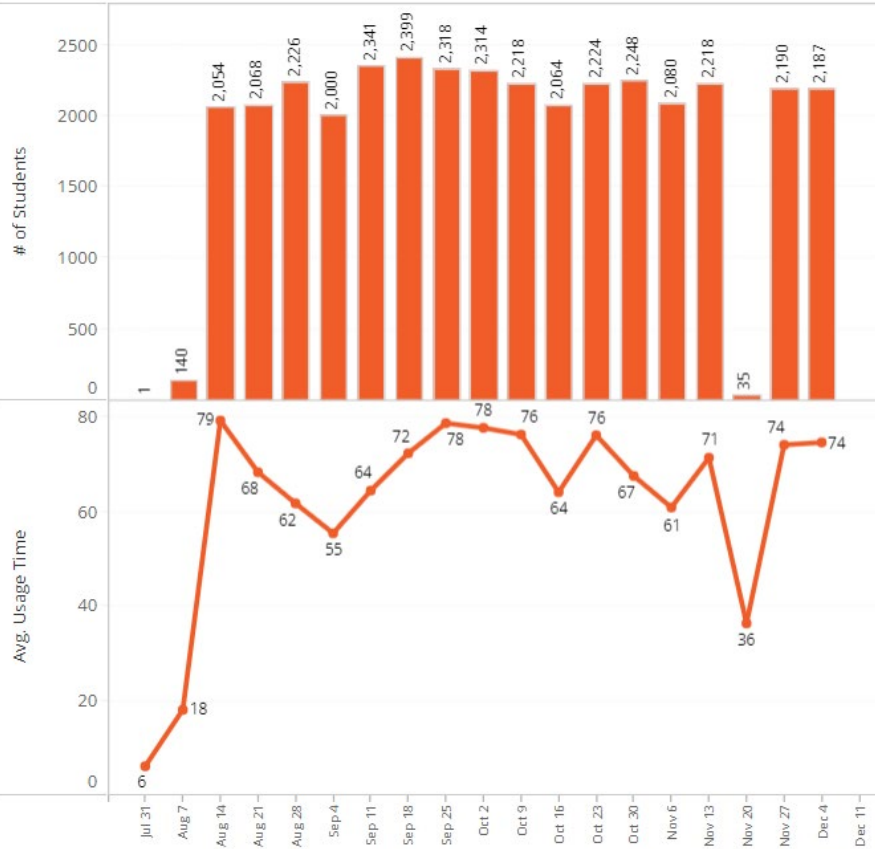

Only used by 6th grade + Intensive Reading 7-10

Intensive instructional practice has changed each year for the last 3 years. PowerUp is integral in concert with Spelling Through Morphographs to close any gaps that remain after students have matriculated through the Corrective Reading direct instruction curriculum.

What Resource Hub Tools are Utilized (Off-line)?

2023-24 Weekly Educator Usage
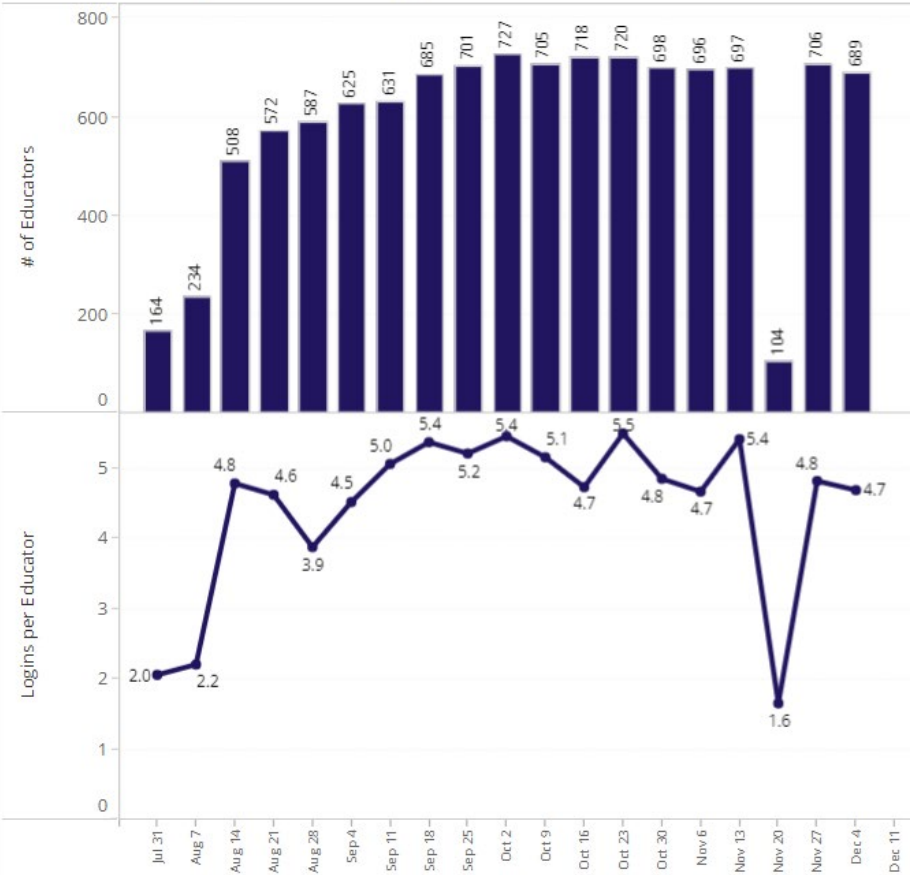

Teachers are logging in daily! This is an increase from last year.

On average 100 more teachers are logging in each week.

This highlights a growth in consistency of use by teachers to monitor student progress and utilize off-line supports.

Lexia Impacting Student Achievement

How is Lexia impacting student achievement?

232 responses

Low Impact   High Impact

Celebrating Student Success

How does Lexia build Partnership Support

- Monthly meeting with Lexia support team & CCDS Reading Department
  - Review Implementation
  - Discuss next steps for training and support
- Professional Learning
  - Each school receives 2 onsite visits + 3 online per year
    - We have currently consumed half of the visits
  - District Learning Sessions
    - Pre-Planning Inservice day 2 sessions
    - Administrator Sessions
      - October
      - January

Teacher Recommendation

What is your recommendation for a reading computer-assisted instruction (CAI) program for the 2024-2025 school year?

232 responses
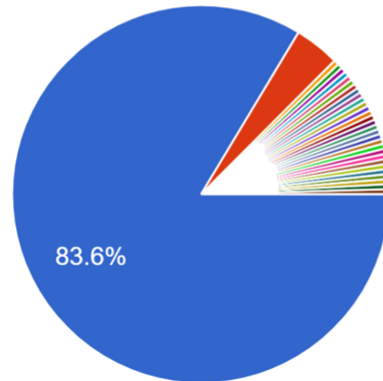

- 🔵 Continue with Lexia Core5 and Lexia...
- 🔴 Do not offer a CAI program
- 🟠 Achieve or other more standards base...
- 🟢 IReady Reading
- 🟣 I love Lexia, but I also feel that when...
- 🔵 I would like to see more accountability...
- 🩷 Bring back Achieve 3000!!!!
- 🟢 I really liked achieve 2000 and used it...

Strategies to Build Efficacy

- Weekly Action Steps for Core5 and PowerUp to help teachers engage in all aspects of Lexia.

- Increased onsite trainings
- Conducted online trainings for individuals chosen by administrators to have school view access.
- Include Lexia in trainings provided by the Literacy Department
  - Small Group
  - Data Review
  - Standards Based Planning
- Embed resources in the curriculum maps.

Lexia decodables are available in the
Resource Hub
Support for Instruction
Fluency & Automaticity.

Lexia provides
Teacher Guides
Digital Display
Full Color/Blackline

You can print the decodables or make them available in Google Classroom.

Planning supports to align with the scope and sequence of From Phonics to Reading?

The Literacy Department has created an alignment with decodables from Lexia. They have also created a companion for each decodable to use for instruction.

From Phonics to Reading w/ Lexia Decodables

After instruction on a targeted phonics skill, create small group activities using the resources.

Create targeted Tier 1 intervention by pulling skills taught but not yet mastered by scholars.
