#### **NEW:**

##### **SCHOOL SAFETY COMMUNICATION SPECIALIST**

The increasing need for timely, accurate, and effective communication during school-based emergencies and crises, combined with the importance of proactive safety education for stakeholders, warrants the creation of this position. This role is essential to ensure clear and consistent information dissemination, strengthen school safety initiatives through collaborative partnerships, and manage emergency notification systems to support student well-being within the district.

**Job Locator: I-2.2.108**

**Title: School Safety Communication Specialist**

**Position Grade: Teacher Salary Schedule**

**Evaluated By: Director of Safety and Security**

**Job Description:**

The School Safety Communications Specialist is responsible for managing and disseminating critical information during school-based emergencies and crises. This position will serve as a key liaison between Clay County District Schools and other stakeholders to ensure timely, accurate, and effective communication during school lock-downs and other sensitive situations. The Specialist will develop and deliver community and school-based programs, assemblies, and events that educate and engage stakeholders on safety and security topics such as bullying prevention, responsible cell phone usage, vaping awareness, and other relevant safety initiatives.

**Responsibilities and duties of this position include:**

1. Serves as a primary point of contact for crisis communications, working in close collaboration with the Safety and Security Departments, Communications Department, and school leaders.
2. Executes communication protocols for school lock-downs, threats, and other crisis situations, ensuring that all stakeholders, including parents, staff, and the community, receive clear and consistent information.
3. Develops, coordinates, and delivers community and school-based programs, assemblies, and events that educate and engage stakeholders on safety and security.
4. Create and implement comprehensive safety messaging campaigns for parents, addressing potential risks and providing guidance on proactive measures to ensure student well-being.
5. Assists in monitoring communications for improper use and provides training to school and district staff on the proper use of the board-approved communications platforms.
6. Responds to media requests regarding safety and security..
7. Builds collaborative partnerships with local safety groups and first responder agencies to strengthen school safety initiatives and connect valuable resources to schools
8. Manages the district's emergency notification systems (FortifyFL, SaferWatch, FSSAT, internal lists, etc) and ensures that all contact information is up-to-date.
9. Monitors media coverage and public sentiment during a crisis and provides regular updates to district leadership.
10. Performs other related tasks as assigned by the Director of Safety and Security.

**Required Qualifications:**

1. Bachelor's degree or higher from an accredited college or university, preferably in Education, Communications, Public Relations, Emergency Management, or a related field.
2. Minimum of three years of successful experience in education, public relations, or emergency management.

3. Demonstrated ability to work effectively under pressure and in fast-paced, high-stakes environments.
4. Excellent written and verbal communication skills, with the ability to write clear, concise, and accurate information for a variety of audiences.
5. Ability to work collaboratively with diverse groups, including law enforcement, school administrators, and the general public.
6. Strong organizational and planning skills, with the ability to manage multiple tasks simultaneously.

**Preferred Qualifications:**

1. Experience working in a K-12 school district or other educational setting.
2. Familiarity with the board-approved reunification system or similar student accountability software.
3. Experience with social media management and other digital communication tools in a professional setting.
4. Formal training in crisis communications or emergency management (e.g., FEMA's National Incident Management System).
