NEW:

I-1.2.55 SUPERVISOR OF ASSESSMENT & ACCOUNTABILITY

This position will encompass the responsibilities for district wide assessment and accountability. This position will have the primary responsibility for managing state assessment and required data submission to the FLDOE. These responsibilities were formerly part of another administrative position that was vacated and moved to IT. Academic Services is now responsible for both assessment and accountability.

Job Locator: I-1.2.56

Title: Supervisor of Assessment & Accountability

Position Grade: Supervisor I

Evaluated By: Chief of Secondary Education or designated administrator

Job Description:

The Supervisor of Assessment & Accountability is responsible to the Director of School Improvement, Professional Learning, and Assessment and serves in a staff relationship with other district and school leaders. This position has the primary responsibility for managing the implementation of state testing programs, monitoring compliance with test security and data reporting policies and regulations. The position will assist with the reporting and interpretation of test data, and provide support to schools to ensure the accurate reporting of Accountability data used by the State to produce Graduation Rate, School Grade, & Teacher VAM. This position will ensure collaboration and communication between all district departments and school leadership to support student achievement and provide guidance so that proper data reporting takes place.

Responsibilities and duties of this position include:

1. Provides leadership and direction in the planning, implementation, and staff development for state accountability assessment programs; provides professional learning in test administration for School Test Coordinators.
2. Establishes a district wide testing calendar within the windows approved by the Florida Department of Education (FLDOE).
3. Responsible for information required for data submission to the Florida Department of Education; provides direction in the creation of test registration, collection of accommodation files, resolution of participation files, and storage of score files.
4. Effectively manages large, complex projects, some of which involve third party vendors and contractors. Leads a system-wide cross-collaborative district team to ensure successful implementation of all state testing programs.
5. Works in collaboration with the English for Speakers of Other Languages (ESOL) office and the Director of Exceptional Student Education to assure the delivery of accommodations during assessment.
6. Initiates and plans collaboratively with Information and Technology Services to deliver online assessments. Assists in coordination of training for school and district technology staff to ensure successful online delivery of state assessments.
7. Monitors compliance of test security and data reporting policies and regulations.
8. Facilitates the reporting, interpretation, and use of test data and information at the district and school levels.
9. Serves as a liaison with the FLDOE and works in collaboration with Academic Services, Career and Technical Education (CTE), Exceptional Student Education (ESE), English for Speakers of Other Languages (ESOL), and Early Childhood Education staff to support successful implementation of all state testing programs.
10. Develops and maintains proficiency in the most current state and local assessments, state accountability system, Florida Statutes and State Board of Education Rules, school operations, Florida school funding and state reporting with the ability to communicate relevant information to all stakeholders.
11. Support school and district staff to ensure accurate completion of state accountability data clean-up.
12. Coordinate with the state reporting and data management teams to ensure accurate reporting of data used for district accountability.

13. Manage Florida Department of Education state accountability applications; Student Data Updates, Graduation Cohort Clean-up, Assessment Matching, Prior-Year Assessment Matching.
14. Serve as the district VAM coordinator.
15. Supporting schools in the completion of the Roster Verification process for surveys 2 and 3.
16. Provide leadership in building and maintaining relationships between the Assessment & Accountability department, district schools, and district departments.
17. Establish and maintain effective communication and work closely with various district and school staff members.
18. Provide professional learning and training to district and school staff in assessment, accountability, data systems, and state reporting.
19. Develop, maintain, and coordinate procedures that will ensure secure, reliable and well-supported assessment, accountability, data systems and services.
20. Exercise proactive leadership in promoting the vision and mission of the District.
21. Collaborates with Chiefs of Elementary & Secondary Education to assist in the development of the annual Master Schedule Guidelines.
22. Provides support to schools in the development of Master Schedules.
23. Provide collaboration between Academic Services, State Reporting, and Student Information System (SIS) teams.
24. Performs duties related to budget, staff and communication.
25. Performs other duties/tasks consistent with the goals and objectives of this position as assigned by the Chief of Secondary.

Required Qualifications:

1. Master's Degree in Educational Leadership, Curriculum and Instruction, or Administration and Supervision.
2. Minimum of three (3) years of PreK-12 administrative school/district leadership experience.
3. Experience in facilitating professional learning for adult learners.
4. Excellent organizational skills, oral and written communications skills, and the ability to articulate the needs, interests and accomplishments of the district to a wide range of audiences.
5. Ability to work independently, take initiative, manage multiple projects simultaneously, meet deadlines, and adapt to ever-changing priorities.
6. Ability to provide guidance for implementation of required changes, initiated by either the state or district, affecting assessment and/or accountability.
7. Knowledge in state and local assessments, state accountability system, Florida Statutes and State Board of Education Rules, school operations, Florida school funding and state reporting.
8. Extensive computer skills, including experience with an online student information system.
