## SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

### Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

### Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

### Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

## **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

# I. School Information

## School Mission and Vision

**Provide the school's mission statement.**

The mission of St. Johns Classical Academy is to develop graduates in mind and character through a classical, content-rich curriculum that emphasizes the principles of virtuous living, traditional learning, and civic responsibility. We are building intelligent, virtuous American citizens.

**Provide the school's vision statement.**

The vision of St. Johns Classical Academy is to offer a unique option that provides students with classical education. Scholars will receive a cohesive Classical education, which builds upon itself year after year, creating a successful foundation for learning. Scholars will be intentionally taught the benefits of a virtuous character and will be challenged through the lessons taught within the curriculum to develop and strengthen their character. Our teachers will provide the support and attention scholars require in order to meet the high expectations of a Classical education.

## School Leadership Team, Stakeholder Involvement and SIP Monitoring

**School Leadership Team**

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Bradley, Anthony	Principal	The Headmaster (Principal) will implement a traditional, classical, liberal arts and sciences curriculum. <ul style="list-style-type: none"> <li>• The Headmaster makes final decisions on curriculum, subject to the approval of the Governing Board and in accordance with the affiliation agreement with Hillsdale College’s Barney Charter School Initiative (BCSI).</li> <li>• The Headmaster, while chiefly the academic leader, is also responsible for the discipline, moral culture, operations, and financial oversight of SJCA.</li> </ul>
Scherer, Sierra	Dean	The Dean leads teachers based on their mastery of an academic discipline, their ability to convey knowledge to young people, and their capacity to maintain order and decorum in the classroom.  The Dean additionally upholds and encourages scholars to uphold SJCA’s Standards of Virtue as follows: Citizenship, Courage, Honesty, Humility, Integrity, Perseverance, Respect, Responsibility, and Wisdom.

**Stakeholder Involvement and SIP Development**

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

Parents and guardians’ (hereafter referred to as “parents”) support of SJCA’s academic and moral mission is essential. Parents are encouraged to learn more about SJCA’s philosophy and curriculum in order to help support and guide their scholars. Community information nights are routinely conducted to provide academic and cultural insights for the operation of SJCA.

**SIP Monitoring**

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State’s academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

Monitoring will be conducted by way of classroom walkthroughs to access academic instruction of areas being monitored. Additionally, review of lesson plans and grade books to determine student level of mastery. As needed the school will revise instructional minutes being applied to the monitored areas.

**II. Needs Assessment/Data Review**

**ESSA School, District and State Comparison (pre-populated)**

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

**On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.**

**Grade Level Data Review– State Assessments (pre-populated)**

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (\*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

### III. Planning for Improvement

#### Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#### #1. Instructional Practice specifically relating to Math

##### Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Math is an area of focus as we have lacked Math manipulatives to help scholars bridge the gap from the concrete, one to one correlations to the abstract numeracy.

##### Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The outcome expected from the additional Math supports will result in 50% of all our students being level 3 or above in math by the end of the school year.

##### Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Monitoring will be conducted by classroom walkthroughs with observations of instruction, review of lesson plans and review of student gradebook materials.

##### Person responsible for monitoring outcome:

Anthony Bradley (anthony.bradley@stjca.org)

##### Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

##### Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

##### Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

##### Will this evidence-based intervention be funded with UniSIG?

No

##### Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Students will be provided instruction via use of manipulatives to help navigate from the concrete, to pictorial to abstract math concepts.

**Person Responsible:** Anthony Bradley (anthony.bradley@stjca.org)

**By When:** Measured outcomes expected by 30 April 2024

## #2. Instructional Practice specifically relating to ELA

### Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

St. Johns Classical Academy Orange Park opened during the 23-24 school year. Located in the heart of Orange Park on Kingsley Avenue, we are at the center of many Title 1 schools, including Grove Park Elementary, Montclair Elementary and both Orange Park Junior High and High School. While our K-2 data is at or above the district and state benchmark after the PM2 testing results, there was a decrease from PM1 to PM2 scores in ELA. The state and district assessments both showed a natural increase from PM1 to PM2 where as we did not. Our 4th grade students scored well below the state and district benchmark in ELA. We want to see an increase among each assessment at or above the state and district benchmark in ELA.

### Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Expectation is that 50% of SJCA 4th graders will perform level 3 or higher on the PM3 closing out the school year.

### Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Scholar reading improvement will be monitored by teacher assessed direct reading during Studium and using McCall Crabbs assessment for comprehension measurement.

### Person responsible for monitoring outcome:

Anthony Bradley (anthony.bradley@myoneclay.net)

### Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

### Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

### Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

### Will this evidence-based intervention be funded with UniSIG?

No

### Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Using supplemental reading materials purchased with SIP grant intensive reading instruction will be provided to identified students. Instruction will occur during Studium, before and after school.

**Person Responsible:** Sierra Scherer (sierra.scherer@stjca.org)

**By When:** Improvement will be determined by 4/20/24
