KEEP KIDS STRONG FROM THE INSIDE OUT

Your child's overall good health can be fostered through eating nutritious foods, getting regular physical activity, and maintaining good sleep habits.

Healthy Eating

Proper nutrition is essential for children to grow and develop. Focus on fruits, vegetables, and protein. Limit sugar, saturated fats, and processed foods.

Regular Exercise

Encourage your children to be physically active for 60 minutes or more each day, like active play at the park or organized sports.

Getting Enough Sleep

Sleep is just as important to your children's development as nutrition and physical activity. Recommended sleep by age:

3-5 years	6-12 years	13-18 years
10-13 hours	9-12 hours	8-10 hours

COUNTY HEALTH DEPARTMENTS SUPPORT THE COMMUNITY

Contact your health care provider or local county health department about back to school health and wellness to get your children ready for a successful school year, inside and out. County health departments provide year-round services, including:

Wellness Checkup

Disease Screening

Birth Certificates

In anticipation of the new school year, your local county health department will be providing back to school wellness activities at:

Florida Department of Health in Clay County
1845 Town Center Blvd.
Building 600
(adjacent to the Fleming Island Library)
Fleming Island, FL 32003

August 3-7, 2026
8 a.m. - 2 p.m.

Please note different location from previous year.

For more information, please visit Clay.FloridaHealth.gov

Back to School Wellness Activities

- FL Department of Health in Clay at 1845 Town Center Blvd near the Fleming Island Library
- August 3-7th from 8:00 - 2:00 PM
*No appointment necessary
- To make an appointment during June or July, please call 904-529-2800.

Upcoming Events

On the Horizon

- July 2 and 3 - Offices closed for Independence Day
- July 4 - Independence Day
- August 3 - Teachers Return
- August 11 - Students Return

Thank You!
