# School District of Clay County Office of the Superintendent

All persons are invited to apply for membership on the School District of Clay County District Advisory Committees, regardless of race, color, creed, religion, sex, sexual orientation or identity, disability, or expressed opinions (so long as that person can assume an objective point of view in all committee deliberations).

Parent and community membership is selected by the Clay County School Board at one of its regularly scheduled meetings. Appointees agree to serve one two-year term and will be notified by the Office of the Superintendent or district liaison. If at the end of a two-year term a member wishes to remain on the committee, the board invites and encourages the member to complete a new application for committee membership.

All applicants are encouraged to include the names and contact information of one of more references.

As an applicant, you are agreeing to fulfill all requirements and duties of the District Advisory Committee including mandatory attendance at committee trainings and meetings.
