REPORTING OFFICER NARRATIVE

Clay County Sheriff's Office

		OCA 2010-042953
Victim CCSB	Offense GRAND THEFT - VALUE 300 TO 4,999	Date / Time Reported Thu 10/14/2010 10:35

Wednesday, October 14, 2010:

1215 Hours:

I met with the reporting party, Anthony Williams, at his office at Orange Park High School regarding a missing computer. Mr. Williams is an assistant principle and is also responsible for the property inventory at the school. Mr. Williams told me that he was conducting an audit of the property in classroom #224-A (building #1) when he discovered that a desktop computer was missing from the room. Mr. Williams said he has checked with the teacher that uses the classroom, Mr. Jennings, and he did not where the computer was. Additionally, Mr. Williams checked with the school's Information Technology Unit, and other teachers/administrators that had access to the room. No one could advise Mr. Williams of the location of the computer, nor could anyone remember noticing it missing. It should be noted that there are multiple computers in the classroom for the use of the students, and Mr. Williams advised that this computer being missing was easily overlooked by the staff.

The last date that the computer was verified by Mr. Williams as being in the classroom was when it was installed on 11/13/08. There have been no further checks on the property in the intervening 23 months and it is unknown exactly when the computer went missing. Mr. Williams stated he was required to report the missing computer by the school board. The value of the computer is \$880.02, and it is a Dell Optiplex, Model GX755. The serial number and the applied school board property number were both provided by Mr. Williams.

Mr. Williams advised that he had no reasonable suspicion that any current employees may have removed the computer, but did say that an employee assigned to the Information Technology Unit was recently terminated. Mr. Williams had no further information.

1245 Hours:

I determined the recently terminated employee was a subject named "Freddy Rivera-Garcia," and that his last day at work was 6/30/09. His current whereabouts are unknown, but are the subject of investigation. I then contacted ECO S. Mosquera #6821 and had the computer entered into NCIC/FCIC as stolen.

This case is pending further investigation and is assigned to the Juvenile Crime Detective, K. Rodgers, for follow-up.
