THE ACADEMIES OF CLAY

---

Any Student. Any Path. Any Future.

# Mission

- Our mission is to work collaboratively with all stakeholders to provide a public education experience that is motivating, challenging and rewarding for all children. We will increase student achievement by providing students with learning opportunities that are rigorous, relevant and transcend beyond the boundaries of the school walls. We will ensure a working and learning environment built upon honesty, integrity and respect. Through these values, we will maximize student potential and promote individual responsibility.

Any Student. Any Path. Any Future.

# Vision

- The School District of Clay County exists to prepare life-long learners for success in a global and competitive workplace and acquiring applicable life skills.
