## REPORTING OFFICER NARRATIVE

Clay County Sheriff's Office

		OCA 2006-000156
Victim <i>S BRYAN JENNINGS ELEMENTARY</i>	Offense <i>BURGLARY</i>	Date / Time Reported <i>Tue 01/03/2006 07:02</i>

On this date, at approximately 0700 hours, I responded to 215 Corona Dr., at S. Bryan Jennings Elementary School, in reference to a criminal mischief. Upon my arrival, contact was made with Norman Dean, custodian at the school. Dean advised while he was blowing off the sidewalks near portable buildings #28 and #29, he realized that the windows were busted out. Dean advised that he then walked the remainder of the school grounds and found that portable building #36 also had the rear window busted out and that the media center had been entered and vandalized.

At this time, I observed the portable buildings and media center. Building #28 had two windows shattered on the north side and building #29 had one window shattered on the north side. Building #36 had one window shattered on the south side. Rocks were found inside all portable buildings, however entry was not made inside of the portable buildings.

The media center appeared to have been entered by forcing the door at the east side corridor. Once inside the suspect(s) damaged (2) video cameras, (2) computers, (2) computer monitors, (4) televisions and (1) wireless receiver by throwing the equipment on the floor. All the damaged equipment was valued at \$4,949.00.

The suspect(s) then removed a Dell, 17" flatscreen monitor valued at \$400.00 and an Apple IMAC computer system valued at \$1,585.00.

Sgt Lee #717 and Detective Rosepiler #6496 arrived on the scene and assumed the investigation.

Deputy Howell #6375 arrived on the scene and processed the area for evidence.

Sgt Chalker #721 and Lt Dangerfield #806 were advised of this incident and were present on the scene.

This case is active transferred to YRU Investigations.

Victim  
CLAY CO SCHOOL BOARD

Offense  
GRAND THEFT - VALUE 300 TO 4,999

While assigned to Orange Park High School, Dr. Karen Elia, Teacher and Yearbook sponsor contacted me. Dr. Elia stated that she had a Cannon Digital Rebel missing from her classroom. Her classroom is also where they work on and publish the pages for the yearbook.

Dr. Elia stated that an unknown person(s) had removed a Cannon digital Rebel camera along with a Cannon 18-55mm lens, a Tamron 18-55mm lens, a 1-gigabyte memory card and the camera case.

Dr. Elia stated that she announced to the classroom and her yearbook staff that if anyone had the camera to please return it. Dr. Elia says that the camera's are for student use and could have been borrowed by any of them. Dr. Elia further stated that she was giving the student(s) who may have borrowed or lost the camera time to return or replace it before she contacted me. This is the reason for the delayed report.

During the Christmas Break, one of her students had the second Digital Rebel in the trunk of his car while shopping at the Avenues Mall. An unknown person(s) broke into his vehicle and took that camera, lens and bag. A police report was filled with the Jacksonville Sheriff's Office, #1118139 on 12-29-2005.

This case is pending.

**ADDITIONAL INFORMATION**

On this date, 12-29-05, at approx. 2024, I was dispatched to 4375 Confederate Point Rd., Apt.#10G, Heritage Apartments, in reference to a Burglary to a Conveyance.

Upon arriving at the scene, I made contact with the complainant, [REDACTED] who advised me that his vehicle was burglarized while it was parked inside the parking lot at the Avenue's Mall, 10300 Southside Blvd., during the listed time period.

According to [REDACTED], he was positive that his vehicle was locked at the time of the incident but during my investigation I could not find any evidence of forced entry into the vehicle.

I later questioned [REDACTED] concerning the time period of the alleged incident and it's reporting. According to [REDACTED], he was not sure what all was missing from his vehicle, when he returned to the mall to pick it up. [REDACTED] state's that he left the vehicle in the mall parking lot because he decided to ride to Daytona as a passenger in his friend's vehicle. When he returned to the mall, he noticed some of his property was missing from the vehicle.

I contacted the registered owner of the vehicle, [REDACTED], and according to him his son contacted him earlier today and advised him of the theft. He also stated that he advised his son to report the incident to the police.

While conducting my investigation, I later found that all the camera equipment that was being reported stolen was the property of the complainant's high school, Orange Park High(Victim#2).

The vehicle was not processed, due to the complainant and his friends contaminating it throughout the last two days.

At this time, patrol efforts are suspended.
