Minutes:

Mike Elliott, Assistant Superintendent for Support Services, brought Board Members up to date on an issue with a paint contractor, John Colvin. Mr. Colvin addressed the School Board on November 18, 2008 regarding the work of another paint contractor. Mr. Elliott and his staff have investigated and not been able to find fault with the painting project. A letter will be sent to Mr. Colvin to convey their findings in writing.

Due to our current economic situation and slow down of growth in the district, refocusing the Educational Facilities Plan towards existing schools to the fullest degree possible was discussed. The discussion also included a look at restructuring the schools in the Keystone Heights area and whether it would be beneficial or detrimental to the operational aspect of the reorganized schools.

Potential redistricting initiatives at various schools due to concurrency were discussed.

See Attachment above for handouts pertaining to the discussed topics.
