## Florida Charter School Application Evaluation Instrument

Each section presents criteria for a response that meets the standard, and these criteria should guide the overall rating for the section. The Strengths and Weaknesses boxes provide space to identify data and other evidence that supports the rating. The rationale for each rating is important, especially if some of the data or evidence does not fit neatly into the criteria provided.

The following definitions should guide the ratings:

- Meets the Standard:** The response reflects a thorough understanding of key issues and demonstrates capacity to open and operate a quality charter school. It addresses the topic with specific and accurate information that shows thorough preparation and presents a clear, realistic picture of how the school expects to operate.
- Partially Meets the Standard:** The response addresses most of the criteria, but the responses lack meaningful detail and require important additional information.
- Does Not Meet the Standard:** The response lacks meaningful detail; demonstrates lack of preparation; or otherwise raises substantial concerns about the applicant's understanding of the issue in concept and/or ability to meet the requirement in practice

## Florida Charter School Application Evaluation Instrument

Each section presents criteria for a response that meets the standard, and these criteria should guide the overall rating for the section. The Strengths and Weaknesses boxes provide space to identify data and other evidence that supports the rating. The rationale for each rating is important, especially if some of the data or evidence does not fit neatly into the criteria provided.

The following definitions should guide the ratings:

- Meets the Standard:** The response reflects a thorough understanding of key issues and demonstrates capacity to open and operate a quality charter school. It addresses the topic with specific and accurate information that shows thorough preparation and presents a clear, realistic picture of how the school expects to operate.
- Partially Meets the Standard:** The response addresses most of the criteria, but the responses lack meaningful detail and require important additional information.
- Does Not Meet the Standard:** The response lacks meaningful detail; demonstrates lack of preparation; or otherwise raises substantial concerns about the applicant's understanding of the issue in concept and/or ability to meet the requirement in practice

## Florida Charter School Application Evaluation Instrument

Each section presents criteria for a response that meets the standard, and these criteria should guide the overall rating for the section. The Strengths and Weaknesses boxes provide space to identify data and other evidence that supports the rating. The rationale for each rating is important, especially if some of the data or evidence does not fit neatly into the criteria provided.

The following definitions should guide the ratings:

**Meets the Standard:**

The response reflects a thorough understanding of key issues and demonstrates capacity to open and operate a quality charter school. It addresses the topic with specific and accurate information that shows thorough preparation and presents a clear, realistic picture of how the school expects to operate.

**Partially Meets the Standard:**

The response addresses most of the criteria, but the responses lack meaningful detail and require important additional information.

**Does Not Meet the Standard:**

The response lacks meaningful detail; demonstrates lack of preparation; or otherwise raises substantial concerns about the applicant's understanding of the issue in concept and/or ability to meet the requirement in practice

Orange Park Performing Arts Academy Application Review - 2nd Submission

*For facilities, transportation, and food service.*

**Orange Park Performing Arts Academy Application Review – 2<sup>nd</sup> Submission**

**Jim Connell**

**Assistant Superintendent for Support Services**

**Overall Assessment:**

While this submittal is a vast improvement over the first, I still believe there is a deficit of detailed information. I do not believe that the applicant has a full grasp of the magnitude of the task of opening a school.

**Section 15 Facilities**

Concerns:

1. Proposed revenue source for the facility is vague.
2. Separation of funding and revenue for the operation of the St. James AME Church operation.

**Section 16 Transportation and Food Service:**

1. The applicant has provided a reasonable solution to providing these services.

**III. Business Plan**

The Business Plan should provide an understanding of how the charter operators intend to manage the school's finances. It should present a clear picture of the school's financial viability including the soundness of revenue projections; expenditure requirements; and how well the school's budget aligns with and supports effective implementation of the educational program.

**15. Facilities**

The Facilities section should provide an understanding of the school's anticipated facilities needs and how the school plans to meet those needs.
