R M PATTERSON ELEMENTAL	GRAND THEFT - VALUE 300 TO 4,999	Mon 08/31/2009 13:12		

On this date of 8-31-09 I responded to R M Patterson Elementary School- 5400 Pine Av Fleming Island, in reference to a theft.

Contact was made with Assistant Principal, Pamela White, who stated that on 8-27-09 approximately 1030 hours she had discovered two (2) laptop computers were missing from the wireless lab. She stated that they were placed inside the computer storage cabinet along with fourteen (14) other laptop computers and were last seen by another teacher, Chris Brindle on 6-4-09 approximately 1300 hours. Pamela White stated that during the listed time frame there were several workers laying carpet throughout the school, several county maintenance workers, several school custodians and several teachers in and out of the school. She stated that she has no suspects at this time.

Pamela White completed a sworn written statement which is attached to this report.

I processed the computer storage cabinet for latent prints, with negative results.

There were no signs of forced entry to the school.

The stolen laptop computers were entered into NCIC/FCIC by ECO J. Bell # 6890.

This case is transferred to Juvenile Crimes Unit.

Reporting Officer: SNYDER, C. J.
