REPORTING OFFICER NARRATIVE

Clay County Sheriff's Office

		OCA 2010-017193
Victim CLAY COUNTY SCHOOL BOARD	Offense BURGLARY	Date / Time Reported Mon 04/19/2010 07:53

On this date I responded to W.E. Cherry in reference to a Burglary. Upon arrival I made contact with Jennifer Stofflet who provided the following information;

Stofflet is a special education teacher at W. E. Cherry. She normally teaches at portable #60. Stofflet was issued a Dell computer which she leaves on her desk in the portable when she leaves. On Friday, 04-16-2010 at approximately 1000 hours, Stofflet left her laptop on her desk and locked the portable. Upon her return to the school today, she was notified by another teacher that portable #60 had been burglarized. Stofflet responded to the portable and discovered the laptop computer was missing, and a window was broken. Stofflet added that both exterior doors to the portable were locked upon her return. Stofflet provided the value of \$1753.98 for the laptop.

I observed a window by the door to the portable was shattered and broken glass was located inside the portable and outside on the ground. The bottom of the window was approximately 80 inches from ground level. A large piece of concrete was located on the ground outside the broken window. Closer inspection of the concrete revealed broken glass underneath it.

Dep. Kirchner responded and processed the scene for evidence.

Det. K. Rodgers responded and assumed the investigation.

Case transferred to YRU for follow up.

Victim	Offense
CLAY COUNTY SCHOOL BOAD	BURGLARY OF UNOCCUPIED DWELLING;

On the listed date and time I was dispatched to 2752 Moody Av (Lakeside Elementary School) in reference to a burglary. Upon my arrival I made contact with Amanda Davis, a fifth grade teacher at the school.

Ms Davis said that her classroom, portable 12, had been burglarized and items were stolen. The unknown suspect(s) lifted the window next to the front door and climbed inside the portable. Once inside the unknown suspect(s) took a Dell computer monitor and a Dell computer tower. The total value of the items taken from portable 12 is approximately \$850.00.

The unknown suspect(s) went around the school attempting to enter additional portables. The unknown suspect(s) would pry the bottom of the screen on the windows to check if the window was left unlocked. When the suspect(s) pried the screen it bent the bottom of them. The suspect(s) attempted to get into portables 11, 13, 14, 24, 26, 27, 47, 51A, and 51B. The suspects(s) also cut the lock on a P.E. storage shed in an attempt to gain access inside, but were unable to make entry.

I then went to check Lakeside Junior High School which is on the same campus as the elementary school. Once at the Junior High I noticed that portables 703, 704, 705, 706, and 721 had the same damage to the screens as the elementary school. I made contact with Randy Oliver, principal, who said that the unknown suspect(s) had gained entry into portable 791 and building 20. I did notice a clean box of matches lying on the ground outside of portable 705.

The unknown suspect(s) gained entry into portable 791 through an unlocked window. Once inside portable 791 the suspect(s) took a Dell 7100 printer (value \$100.00), a Sony cd player (\$30.00), a two Kenwood two way radios (value \$300.00), and a Dell computer (value \$972.62), serial number 1S9SL91. The Dell computer was entered into NCIC as stolen by ECO White #6863.

At building 20 the suspect(s) cut a lock of a gate on the side of the building. The suspect(S) then entered the fenced in area and locked a small hole in the wall that was covered by a wooden board. The suspect(s) pushed the wood board out of the way to enter the building. Once inside the suspect(s) removed a Stihl edger (\$250.00), and a Weed Eater hedge trimmer (value \$100.00).

Deputy Kirchner arrived on the scene and took photographs and processed the portables for evidence. Deputy Schueler arrived on scene and assisted with taking photographs of the portables. Sgt. Edwin Eisenhower responded to the scene and notified Y.R.U.

Juvenile Crime Section Detective K. Rodgers arrived on the scene and assumed the investigation.

I collected the cut lock from the Elementary School as well as the box of matches from outside portable 705 at Lakeside Junior High School.

This case is active pending transfer to Y.R.U.
