## **II. Job Description Actions**

**Approve the following new job descriptions:**

**C-3.0.41 Terms Support Assistant Band/Grade of B23**  
**Information Services**

See allocation document for financial impact. Position created to expand and facilitate training opportunities in Information Services Department

**C-3.8.40 Instructional Application Specialist Band/Grade of C43**  
**Information Services**

See allocation document for financial impact. Position created to accommodate increased demands on the Instructional Division's Curricular Technology Applications. Position to be funded by the Instructional Division.

**Job Locator: C.3.041**  
**Terms Support Assistant**  
**Position Grade: Support Salary Schedule**  
**Evaluated By: Chief Information Officer**

**Job Description:**

Provides assistance in the use of the TERMS student application for all district clients, staff and personnel.

**Responsibilities and duties of this position include:**

1. Answers telephone and responds to general questions associated with TERMS student application software.
2. Identifies initial appropriate action for TERMS users and clients.
3. Assists in the communication between schoolbased personnel and district technical support regarding service related problems to inform management of service related problems.
4. Prepares weekly trouble reports for management to track needs.
5. Maintains TERMS student application job procedures and IS Policies relating to the use of TERMS by updating district maintained documents.
6. Compiles and publishes the Information Services documentation regarding the use of TERMS and the Procedures governing the information flow of TERMS student application.
7. Participates and creates minutes of application support meetings with TERMS student application users.
8. Performs miscellaneous clerical duties such as composing, typing and distributing routine correspondence with reference to the TERMS student application such as recording information; photocopying; scheduling meetings; and filing.
9. Performs other duties of a similar nature or level.

**Required Qualifications:**

1. Five years experience in using TERMS student application. A combination of previous education, training, or experience which provides for an equivalent background necessary to perform the work may be substituted.
2. Must be a high school graduate or have passed the G. E. D. equivalency examination.
3. Pass the secretarial/clerical skills test.
4. Data entry and keyboard skills.
5. Proficiency in using MS Word, Excel, and PowerPoint

**Desired Qualifications**

1. Ability to deal with clients in an effective and courteous manner.
2. Ability to work independently.

Board Approved: 6/19/08

**Job Locator: C.3.840**  
**Instructional Application Specialist**  
Position Grade: Support Salary Schedule  
Evaluated By: Assistant Superintendent of  
Instruction and Chief Information Officer

**Job Description**

Installs, configures, implements and maintains instructional applications, servers or networks. Investigates Instructional server or server related networks and software problems and facilitates a resolution. Facilitates the communication between Information Services and the Instructional Division to define issues, develop plans, and provide guidance so that proper priorities and resources may be assigned to Instructional projects.

**Responsibilities and duties of this position include:**

1. Installs application servers and network equipment as necessary for instructional applications.
2. Installs, configures, and maintains instructional servers and applications.
3. Integrates instructional applications with Active Directory, LDAP, or other district databases or authentication services.
4. Investigates hardware and client software requirements to support instructional applications.
5. Analyzes security and functionality of existing and proposed software and collaborates findings with Instructional Administrators.
6. Monitors and investigates instructional server, network, operating system and software related problems.
7. Communicates with staff, vendors or consultants to facilitate problem resolutions.
8. Maintains instructional applications by testing, communicating, scheduling and applying updates.
9. Assists Instructional Division in the implementation of applications.
10. Creates documentation as required.
11. Performs other duties as assigned by manager.

**Required Qualifications:**

1. Must be high school graduate or have passed GED equivalency examination.
2. Minimum 4 years experience in using and/or providing support in network systems, database management, and application software.
3. Microsoft MCSE certification.
4. Minimum 2 years experience with MS Server 2000/2003 Network Administration and MS Active Directory.
5. Excellent oral and written skills.
6. Must possess a valid Florida Driver's License appropriate for the vehicle/equipment assigned and maintained.
7. Must have a safe driving record during employment. Safe driving history shall be interpreted as follows: On a license search no accumulation of points totaling eight (8) or more within any 12-month period within the three (3) years immediately preceding the record search; and no conviction of DUI within the seven (7) years immediately preceding the record search. A no contest plea shall be considered the same as a conviction.

**Desired Qualifications:**

1. Experience in managing content servers.
2. Support experience with Blackboard or other online learning environments.
3. Experience in PHP, HTML, ASP, C+, Visual Basic 6, or other software code.

Board Approved: 6/19/08
