CONTROL FACTORS FOR
ADMINISTRATIVE/MANAGEMENT AND SUPERVISORY
PERSONNEL SALARY SCHEDULE**

Unless otherwise recommended by the Superintendent, all persons being placed on the schedule for the first time will be assigned to step 0 for the pay grade appropriate to their position. The Superintendent may assign placement above step 0 subject to School Board approval to (a) insure that one who is a teacher in the district will not receive a "pay cut" when compared to their teaching salary projected for twelve months, or (b) provide an added incentive to a person with critically needed skills. Under no circumstances will a person being placed on the schedule for the first time be placed above step 20.

When a person already on the administrative salary schedule is assigned a new district level position on the schedule, the person will be placed on the salary schedule (pay grade/step) for the new position closest to their current salary, including supplements, if applicable. The person would not maintain the same step status for the new district level position, unless a decrease in overall salary would result. This paragraph shall apply only to an administrator whose move is to a district level administrative position.

A district level administrator who accepts a school based administrative position shall maintain his/her step on the schedule when assigned to the new pay grade.

Unless the Superintendent takes overt action to withhold an increment, each person will advance one step on the schedule up through step 20 for each year of administrative/management experience within the Clay County Schools except as follows:

1. If an administrator (including a Cafeteria Manager) receives an unsatisfactory rating on his/her annual performance evaluation and the Superintendent recommends reappointment to an administrative position for the following year, the administrator will receive the same salary in the next school year as he/she received during the unsatisfactory year of service. Such administrator will be ineligible for any step, supplement or base salary pay increase. This freeze will apply for, at least, the school year following the administrator's receipt of an unsatisfactory evaluation.
2. If, during the frozen salary year, the administrator earns a satisfactory evaluation, he/she will be placed back on the salary schedule for the following year and, if otherwise eligible, receive any step increase approved by the Board.
3. If the administrator referenced in 1. above receives satisfactory ratings on the final performance evaluations for each of the two (2) years following the receipt of an unsatisfactory rating, the administrator will be eligible, the third year, for any salary step and/or step amount that would have applied had the administrator never earned an unsatisfactory evaluation.

If the situation arises where the chief officer of a school makes less money than another person in that school, the situation shall be brought to the attention of the School Board to be considered on a case by case basis.

Administrative positions are 12-month positions unless otherwise approved in the allocation document. The salary and applicable supplement of a-less-than-12-month administrator shall be prorated based on the number of contract days times the daily rate of pay established in the Administrative Salary Tables contained herein.

Approved : 6/20/06

The 10 or 11-month calendar for an administrator shall be the same as that established for other 10 (196 days) or 11 (216 days) - month employees.

School based administrative personnel who have earned the status of “exemplary” on their evaluations for 2005-2006 school year will be awarded the appropriate compensation as designated by the legislature. This compensation will be prorated based on the length and type of the contract held by the respective administrator.

Board Approved: 6/20/06

TERM OF AGREEMENT**

This Tentative Agreement is signed on July 21, 2005. This Agreement shall be effective from the date of ratification and shall continue in effect through June 30, 2006. All economic issues shall be retroactive to the beginning of the 2005-2006 school year. The parties agree that the articles pertaining to compensation, insurance, term of agreement, any two (2) issues of the Association's choosing and any two (2) of the Board's choosing may be reopened for negotiations for the 2006-2007 school year by May 1, 2006. Issues for the purpose of this article must be specific, narrowly defined and clearly stated so that the problem giving rise to the issue is precisely understood by both parties. Failure to identify the two (2) issues to be reopened each school year as stipulated above will result in effective closure of negotiations for that school year. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date indicated.

ARTICLE XVIII
COMPENSATION**

- A. Compensation shall be provided to all employees covered by this Agreement as set forth in Appendix E of this Agreement.
- B. For the purpose of providing benefits in this Agreement, full time shall mean a person contracted for a six-tenths (.6) or greater allocated position or for (.6) or more of each consecutive normal work day during the contract period unless otherwise indicated.
- C. Terminal Sick Leave: At the employee's option and upon written request by the employee at the time of separation, the Board shall provide terminal pay of up to one hundred twenty (120) days to any support employee upon the employee's non-disciplinary separation from school district employment or enrollment in DROP, or to the employee's beneficiary if service is terminated by death.
 - 1. Employees hired after November 19, 2002, shall be eligible for terminal pay as defined under this policy upon completion of three (3) consecutive years of service in Clay County. For employees hired prior to November 19, 2002, Clay County service requirements shown in paragraph C.2 (a) through C.2 (e) need not be consecutive.
 - 2. For the purposes of determining eligibility for terminal pay, a year of service shall be defined as: paid service rendered in a .6 or greater allocation for a minimum of one day more than half the normal working contract in the fiscal year, provided that eligibility during the first three Clay years shall be based on the anniversary of the initial date of hire.

Terminal pay shall be based on the years of service in Clay County. The employee must have been:

- a. Employed for at least three (3) years in Clay County, in which case the terminal pay shall be at the rate of 35% times the number of days of accumulated sick leave times the daily rate of pay, not to exceed a total of one hundred twenty (120) days, or
 - b. Employed for more than three (3) years but not more than six (6) years in Clay County, in which case the terminal pay shall be at the rate of 40% times the number of days accumulated sick leave times the daily rate of pay, not to exceed a total of one hundred twenty (120) days, or
 - c. Employed for more than six (6) years but not more than nine (9) years in Clay County, in which case the terminal pay shall be at the rate of 45% times the number of days of accumulated sick leave times the daily rate of pay, not to exceed a total of one hundred twenty (120) days, or
 - d. Employed for more than nine (9) years but not more than twelve (12) years in Clay County, in which case the terminal pay shall be at the rate of 50% times the number of days of accumulated sick leave times the daily rate of pay, not to exceed a total of one hundred twenty (120) days;
 - e. Employed during and after the thirteenth (13th) year in Clay County in which case the terminal pay shall be at the rate of 100% times the number of days of accumulated sick leave times the daily rate of pay, not to exceed a total of one hundred twenty (120) days.
- 3. As used in this section, one day of leave shall mean the equivalent in hours.

4. Effective March 17, 2000, an employee who terminates employment through regular FRS retirement shall deposit 100% of his/her terminal sick and annual leave payments into the Board-approved Qualified Retirement Plan, up to the limits established by the Internal Revenue Service.
5. All employees participating in the Plan since its implementation in Clay County, who are under fifty-five (55) years of age at the time of termination of employment and choose, at the time of termination, to take a cash distribution in the amount of 100% of their respective balance from the Board-approved 401(a) Qualified Retirement Plan and are assessed a withdrawal penalty, shall be reimbursed a percentage of the withdrawal by the Board. This reimbursement is an amount equal to the difference between the current withdrawal penalty and the current Social Security and Medicare combined tax contribution rate. If the withdrawal penalty and/or Social Security and Medicare tax rates change, the amount of reimbursement from the Board shall change accordingly.
6. Effective March 17, 2000, an employee who is already enrolled in DROP, or, who elects thereafter to participate in DROP, shall deposit his/her accumulated terminal sick leave pay, for which he/she is eligible, into the Board-approved 401(a) Qualified Retirement Plan, subject to annual contribution limits and according to the following:

<u>Payment</u>	<u>Maximum Percentage of Accumulated Terminal Sick Leave Days</u>
Year 1	20% of 120 days or 20% of the individual's balance of terminal sick leave, whichever is less
Year 2	20% of 120 days or 20% of the individual's balance of terminal sick leave, whichever is less
Year 3	20% of 120 days or 20% of the individual's balance of terminal sick leave, whichever is less
Year 4	20% of 120 days or 20% of the individual's balance of terminal sick leave, whichever is less
Year 5	100% of balance of the individual's terminal sick leave, not to exceed a total of 120 days

- (a) The initial payment shall be made on the last payday in April following the employee's DROP effective date, or, the last payday in April, 2000, for those already enrolled in DROP as of March 17, 2000. Subsequent payments shall be made on the last payday in April of each year following the employee's DROP effective date anniversary.
- (b) The rate of pay used to calculate the amount to be placed in the 401(a) Plan shall be the employee's daily rate of pay on each payment date.
- (c) If an employee elects to participate in DROP for fewer than the sixty-month maximum, or, has fewer than the sixty-month maximum remaining in DROP as of March 17, 2000, the percentage of terminal sick leave to be deposited each year will change so that, at the end of his/her DROP participation, a total of 100% of the maximum allowed contribution of terminal sick leave pay will have been made to the 401(a) Plan.

- (d) DROP participants may access these terminal sick leave funds prior to termination of employment only through loan procedures outlined in the Plan.
- D. Employees who, by virtue of enrollment in DROP, have deposited terminal leave payment(s) into the Board-approved 401(a) Qualified Retirement Plan, shall continue to deposit such payments as stipulated in paragraph C.6. of this policy, notwithstanding the limitations of paragraph C. This clarification is intended to facilitate the continuation of terminal leave payments to which the Board had committed prior to the November 19, 2002 approval of amendments to this policy.
- E. Staff Meetings
1. Meetings with staff may be conducted by supervisors on a monthly basis or as determined by the Superintendent. Such meetings will be conducted during the workday, whenever possible.

TEMPORARY - TABLE I
RULES FOR IMPLEMENTATION OF SUPPORT PERSONNEL SALARY SCHEDULE

1.0.0 Salary Schedule Structure

1.1.0 The salary schedule will include twenty one (21) steps for each Band/Grade. There shall be a constant percentage between each step within the Band/Grade.

1.2.0 The range spread between step 1 and step 21 shall be greater for the higher Bands/Grades.

1.3.0 After initial implementation of the schedule, new employees shall be placed at the step (1-5) associated with approved years of verified, directly-related experience in their same job category. Step 1 through Step 5 shall correspond to 0 to 4 years of experience. Step 5 shall be the maximum step for initial placement of new employees, with the exception of the Waste/Water Operator and/or Wastewater Operator who will be able to bring all approved years of verified, directly-related experience to the job entry level. Positions which require subsequent acquisition of State School Bus Mechanic Certification will be able to bring up to ten (10) years of verified, directly related experience to the job entry level upon successful completion of the certification. This limitation shall not apply to support personnel who elect to transfer from their support position to an administrative or managerial position, and then back to a support position. Step placement for such personnel shall be in accordance with section 3.6.0 of this Table.

1.4.0 Former Clay County teachers who take a support position immediately upon leaving their teaching position in Clay County shall be credited with all their teaching experience, up to the maximum experience on the current salary schedule.

2.0.0 Advancement on Salary Schedule

2.1.0 Step increases shall be subject to collective bargaining and there shall be no presumption of advancement beyond the current step after 2003-2004.

2.2.0 A step increase between steps 1 through 5 shall be determined by years of experience. A year of experience shall be earned if the employee has earned one day over one-half of the contract year for the allocated position of .4 or greater.

2.3.0 Effective with the 1998-99 school year, any employee who receives an overall rating of Below Expectation in the final performance evaluation conference of the school year will receive the same salary in the next school year as he/she received during the Below Expectation year of service. Such employee will be ineligible for negotiated advancement on the applicable salary schedule (i.e. receipt of a step), regardless of stipulations in Section 2.2. above. In addition, the employee who receives such a rating will be ineligible for receipt of any negotiated increase in the actual value of a step on the applicable salary schedule. This salary freeze shall not apply to incentive pay added to the normal contracted salary. This salary freeze will apply for, at least, the school year following the employee's receipt of the Below Expectation evaluation. If, during the frozen salary year, the employee earns at least an "At Expectation" rating on the year's evaluation, he/she will be placed back on the salary schedule for the following year, and, if eligible and bargained, granted a step.

If the employee referenced in 1. above receives at least "At Expectation" ratings in the final performance evaluation conferences of the two school years following the receipt of a "Below Expectation" rating, the employee will be eligible, the third year, for the salary step and/or step amount that would have applied had the employee never earned the "Below Expectation" rating.

2.4.0 All experience granted prior to January 1, 1993, under existing rules and regulations shall remain credited to the employee.

- 2.5.0 Employees assigned to step the highest step shall receive the adjustment made to the salary schedule through collective bargaining.
- 3.0.0 Reclassification Due To Transfer/Surplus/Discipline/Promotions
- 3.1.0 Employees transferring to another job classification shall be placed on the schedule for the new band/grade based on placement in accordance with the provisions of this section.
- 3.2.0 Employees who voluntarily transfer to a job with a higher band/grade will be immediately reclassified and the pay rate adjusted in accordance with the new step placement. Step placement will be based on verified approved experience in the new job, up to step 10, or on the current step placement, whichever is higher.
- 3.3.0 Employees who voluntarily transfer to a job with a lower or same band/grade will be immediately reclassified and the pay rate adjusted. Step placement will be based on the current step placement, or the step appropriate for experience credited in the new position, up to step five (5).
- 3.4.0 Employees who are involuntarily transferred to a job with a lower band/grade will be reclassified and the pay rate adjusted in the school year following the school year in which the new assignment begins. The placement will be at the step that would have been the normal step placement in the previous job held.
- 3.5.0 Employees who are transferred as the result of disciplinary action will be immediately reclassified to the new band/grade at the same step and the pay rate adjusted.
- 3.6.0 Support employees who elect to transfer to a managerial or administrative position in Clay County, and who later transfer back to a support position, will be placed on the band/grade applicable for the support position at the step they held prior to leaving the support position. Support employees affected by such transfers in the 2001-2002 contract year shall be made whole, with regard to step placement, effective the 2002-2003 contract year.
- 4.0.0 Initial Classification and Reclassification Procedures
- 4.1.0 An established classification or an initial classification for a new position may be reviewed for reclassification or initial classification in accordance with the procedures in this section.
- 4.1.1 When a new position is proposed for approval, the new job description shall be submitted to a review committee comprised of the Assistant Superintendent for Human Resources, Director of Support Personnel and a CESPAs Representative (when position under review is a CESPAs position and when the position of the CESPAs representative is not under review or is not assigned to a department or school which is under review). This committee will review the documentation and relevant analysis data supporting the new proposed position. The Assistant Superintendent for Human Resources will notify the responsible supervisor and CESPAs of his/her decision.
- 4.1.2 After initial classification of a position, the responsible immediate supervisor or employee may request a position reevaluation. Such reevaluation may be requested if relevant documentation is provided which supports that there has been a change in responsibilities.
- 4.1.3 The Assistant Superintendent for Human Resources, Director of Support Personnel and a CESPAs Representative (when position under review is a CESPAs position and when the position of the CESPAs representative is not under review or is not assigned to a department or school which is under review) will review the documentation and relevant analysis data supporting the review request. The Assistant Superintendent for Human Resources will notify the responsible supervisor of his/her decision.
- 4.1.4 The documentation to be considered in reevaluating a position should include evidence of a major permanent change in a job responsibility, data from a sample of the job class, position description questionnaire and employee/supervisor interviews. If the changed job responsibilities match an existing job description, the employee will be moved to the new classification and his/her salary will be adjusted in accordance with approved procedures. If the job responsibilities do not match an existing job description, the job may be reanalyzed and reclassified or the supervisor may be instructed to reassign the new responsibilities to a more appropriate job classification.
