If you answer no to meeting any requirement:

1.) Describe the initiatives you are taking to maximize your efforts to correct the situation.

Since this was our first year as a school we had many transitions with our school employees and parents. This affected our SAC membership since we had 4 members leave during the year due to new jobs and moving out of state. Next school year we will make sure our parents understand the importance of the SAC committee and during Open House the SAC chair will be available to talk with parents.

2.) For the business/community category the district will provide wide notice of vacancies throughout the community at large. Please notify the Director of School Improvement, Professional Development, and Assessment of any vacancies you have been unable to fill after your efforts to advertise your vacancies widely in your community.
