Response to Intervention Coach (K-6)
Position Grade: Teacher Salary Scale
Evaluated By: Pilot School Principals

Job Description:

The Response to Intervention Coach (K-6) is directly responsible to the principals of the three pilot schools (TES, AES, and SPC) involved in the Problem Solving/Response to Intervention (PS/RtI) Project. The Response to Intervention Coach will mentor and act as a staff development facilitator by educating and assisting the pilot school teachers on the use of interventions to assist students at-risk, either academically or behaviorally. This position will lead the three schools in the collection and use of data to determine appropriate interventions and to gauge success of the interventions.

Responsibilities and duties of this position include:

1. Serves as the liaison between participating schools and the district-level leadership team and individual school Intervention Team Facilitators (ITF).
2. Provides training and technical assistance to school-based teams and teachers to implement the Problem Solving/Response to Intervention Model.
3. Provides technical assistance in monitoring and evaluating intervention team plans and procedures.
4. Provides training, technical assistance and support for the collection and use of school-based data to develop and evaluate instruction and interventions.
5. Provides training and technical assistance in the use of technology to monitor intervention implementation, support data-based decision making and track student progress.
6. Facilitate integration of initiatives to implement Sunshine State Standards in all academic areas.
7. Assists schools in integrating services provided by general education, exceptional student education and student services.

Required Qualifications:

1. Currently possess, or eligibility to receive a valid Florida Educator's Certificate in Elementary Education or Special Education
2. Successful experience implementing the Problem Solving/Response to Intervention Model.
3. Recommendation from current or previous Elementary Principal.
4. Resume of workshops attended on the PS/RtI Model and presentations made on the PS/RtI Model, if applicable.

Desired Qualifications:

1. Three years successful teaching experience
2. Strong interpersonal and leadership skills to work with administration as well as teachers
3. Strong verbal and written communication skills
4. High level of flexibility
