If you answer no to meeting any requirement:

- 1.) Describe the initiatives you are taking to maximize your efforts to correct the situation.

To rectify the matter of having eight teachers (26%) on our School Advisory Council, we will recruit teachers, place interested names on a ballot and allow their peers to vote. The state/district requirement is for the secondary council to consist of at least 30% of teachers; therefore, we will allow their peers to vote in at least three teachers.

- 2.) For the business/community category the district will provide wide notice of vacancies throughout the community at large. Please notify the Director of School Improvement, Professional Development, and Assessment of any vacancies you have been unable to fill after your efforts to advertise your vacancies widely in your community.
