

SCHOOL DISTRICT OF CLAY COUNTY

VISION STATEMENT

The School District of Clay County, in partnership with families and the community, will provide a public education experience that is motivating, challenging, and rewarding for all children. Honesty and integrity, coupled with respect, individual responsibility, and learning opportunities that are rigorous, relevant and transcend beyond the boundaries of school walls, ensure an environment that maximizes student potential. Together, we prepare life long learners for personal success in a global society.

Adopted: May 18, 2006
