1.) Describe the initiatives you are taking to maximize your efforts to correct the situation.

Our School Advisory Committee needs to strengthen its membership of parents and community members of diverse racial/ethnic and social backgrounds. In order to do this we will directly invite parents from those groups to attend our meetings. This recruitment initiative will take place via newsletters, Channel 29, and phone calls.

2.) For the business/community category the district will provide wide notice of vacancies throughout the community at large. Please notify the Director of School Improvement, Professional Development, and Assessment of any vacancies you have been unable to fill after your efforts to advertise your vacancies widely in your community.
