Dare To Think

Thrasher-Horne Center
November 4th and 5th, 2013

This is an educational conference called "Dare to Think" that I am co-sponsoring with the Clay County School District. The focus of the conference will be on restoring solid American History, including the **benefits of the free market**, America's heritage, and American exceptionalism in our schools.

It will take place on November 4th and 5th at the Thrasher Horne Center

Please let those in Clay County know about this antidote to some of the creeping anti-Americanism in our schools
