

reporting to SHANDS. PROGRAM shall contact the appropriate SHANDS departmental representative to ascertain any documentation that may be required for faculty members who assume direct student supervision of patient care activities.

- G. To ensure that students and faculty with direct supervision responsibilities comply with SHANDS requirements as set forth in Exhibit A, for physical examinations, tuberculosis screening, certain immunizations, AIDS training, CPR training, and health insurance, prior to entrance upon premises under the PROGRAM.
- H. To maintain the required degree of discipline among its students and faculty, giving full consideration to the institution's standard of conduct and performance. SHANDS may, at any time, withdraw or exclude any faculty or student from its facilities, premises or clinical areas, whose conduct or performance is not, or has previously not been, in accordance with PROGRAM or SHANDS departmental standards, or whose conduct or performance is, or has previously been, unprofessional or detrimental to either SHANDS or the SCHOOL BOARD. Written report of the circumstances of the withdrawal or exclusion shall be submitted to the appropriate SCHOOL BOARD administrator.
- I. Classes shall be programmed within the capabilities of SHANDS.
- J. To maintain individual records of class and practicum student competency and health.
- K. Where applicable, to prepare any rotational plans for services to be used for experience and to secure the approval of this plan from SHANDS prior to the beginning of the educational PROGRAM within the facilities. Major changes made in the plans will not be effective until such time as they are approved by SHANDS.
- L. To require its faculty and students to hold as confidential any patient information acquired. Any disclosure of patient information must be in accordance with Shands policy, Section 395.3025, Florida Statutes, and other applicable law.
