If you answer no to meeting any requirement:

1.) Describe the initiatives you are taking to maximize your efforts to correct the situation.

To encourage a greater percentage the membership of our minority and free and reduced lunch parents we have made personal contacts, made phone calls, and sent letters. We will continue to contact the parents periodically throughout the school year.

2.) For the business/community category the district will provide wide notice of vacancies throughout the community at large. Please notify the Director of School Improvement, Professional

Development, and Assessment of any vacancies you have been unable to fill after your efforts to advertise your vacancies widely in your community.
