As a guardian at Grove Park Elementary, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about the child's teachers and requires us to give this information in a timely manner if asked. Specifically, you have the right to ask the following questions:

1. Whether the Florida Department of Education has licensed or qualified the teacher for the grades and subjects they teach.
2. Whether the Florida Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstance.
3. The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees.
4. Whether any teacher aides or similar paraprofessional provide services to your child, and if they do, their qualifications.

If you would like to receive any of the above information, please call the school at 278-2010.

Schoolwide – All Assistants Targeted Assistance - Title I funded Assistants

Paraprofessionals in Title I schools may be assigned the following support duties:

1. one-to-one tutoring for eligible students if the tutoring is scheduled at a time when a student would not otherwise receive instruction from a teacher
2. assisting in classroom management
3. assisting in computer instruction
4. conducting parent involvement activities
5. providing instructional support in a library or media center
6. acting as a translator
7. providing instructional support services only under the direct supervision of a highly qualified teacher

***a paraprofessional works under the direct supervision of a teacher if—

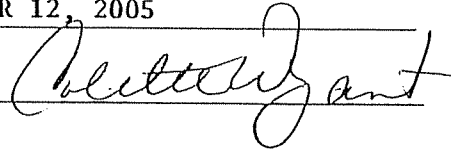

- (i) the teacher plans the instructional activities that the paraprofessional carries out;
- (ii) the teacher evaluates the achievement of the students with whom the paraprofessional is working; and
- (iii) the paraprofessional works in close and frequent physical proximity to the teacher

A paraprofessional may assume limited duties that are assigned to similar personnel who are not working in a program supported with Title I funds—including non-instructional duties and duties that do not benefit participating students, if the amount of time the paraprofessional spends on those duties is the same proportion of total work time as the time spent by similar personnel at the same school.

I attest the Paraprofessionals at my school are in compliance with all of the above requirements.
