

**TO: The School District of Clay County, Chair Person: Wayon Bolla,
Transportation and Congressman: Cliff Stearns.**

THIS PETITION IS SAFTY FIRST!

Currently, the children of Hickory Glen 1 and Hickory Glen 2 subdivisions are not provided transportation to Ridgeview Elementary. This subdivision is just less than 2 miles from the school. On August 7, 2007 National Night Out, the Clay County Police Dept. suggested that we as tax payer's and concerned parents should contact the School District to make them aware of the dangerous walk that these elementary students would have to travel. Washington Ave is a very rural area for kids to be walking to school. The walk between Washington and Jefferson would put the kids at risk for contact with sexual predators, snakes, dogs and other situations. Per the law, it would be very unacceptable for a parent to leave their elementary child at home. So as parents, we think it's very unacceptable that our elementary children are expected to walk this distance to school. There is a bus that passes through Washington everyday. We as parents are not asking the bus to come through the neighborhood but to make one stop between Hickory Glen 1 and Hickory Glen 2 as they travel to Ridgeview Elementary.

Thank you, In advance for your understanding our concerns.
