RE: Clay County Schools Blanket CCTV Contract

Dear Ms. Racine:

Due to various interpretation issues on our part regarding the above-mentioned contract, W.W. Gay Fire & Integrated Systems, Inc. would like to request, if agreeable with Clay County, that we be relieved of further obligation on this contract after completion of the Orange Park High School project.

This request in no way reflects any issues we have had with Clay County, as we have been impressed with the courtesy and professionalism extended to us from all the faculty, staff, and administration of Clay County personnel every step of the way.

Sincerely,

Andrzej Ratajczyk, PE
Vice President
