466 Madison Avenue
Orange Park, Florida 32065

August 16, 2012

To: Clay County School Board

From: Jane Greenawalt, IB Coordinator

Subject: Out of State Travel approval

The attached information is the documentation needed for CCSB to consider approval for Charles Roswell, a teacher at Ridgeview High School, to attend IB Physics SL 2 subject training at the Atlanta International School in October 2012. We are making this request because Mr. Roswell is a new teacher who replaced Ms. Wineberg, our previous physics teacher who resigned in June 2012. It is required that he be IB-certified in Physics as soon as possible.

This is the closest opportunity both in time and location, for IB training in physics. Most of our training is done in-state at Florida league of IB schools sessions. However, FLBIS does not have authorization to offer physics training midyear.

If you have any questions, please contact Jane Greenawalt at 904-213-5289.
