

Cheryl Cox
Educational Consultants

Meet Our Consultants ...

Julie Teague

Julie managed to capture their attention from the start and kept it until the end. Her enthusiasm left my teachers excited about returning to their classrooms to use their new games and activities!

Wanda

Julie Teague works full time for Cheryl Cox as a consultant of games and activities. She has a Bachelor of Science degree from State University, and a Master of Education degree from Te Commerce. Prior to coming to work for Cheryl Cox Educational Consultants she was a classroom teacher.

Julie loves the fact that the consultants who work for the company help teachers. "I think to really help teachers you need to understand their day in and day out. Our ideas are practical, user friendly and to be a resource that teachers can use to make a difference in their classrooms."

Debra Harman

Debra was fabulous! Her bubbly, fun personality made a great workshop even better!

Megan
Dallas Workshop

Debra Harman has been an educator for 18 years. She holds a Bachelor of Science degree in Elementary Education from the University of North Texas and a Master of Science in Educational Computing and Learning Technologies from Texas A&M University in Commerce.

Prior to joining Cheryl Cox Educational Consultants, Debra was an educational consultant for Region 10 Education Service Center in Richardson, Texas. She began her career as a classroom teacher in Garland ISD and was awarded the district's highest honor in 1998 when she was named the District Teacher of the Year.

Debra works full time as a consultant. She loves conducting workshops, interacting with teachers and helping to make learning fun for children. "I am so proud to be called a teacher! I love teaching and I don't know me ask if I am a teacher. I believe teachers have that special glow about them that is unique."
