**Employment History:**

**January, 1977 - August 1978**

**Curriculum Development Director and Part-time Teacher**

**The dePaul School, Louisville, Kentucky**

Designed and helped implement an Orton-Gillingham based language arts program and a multi-sensory elementary mathematics program which, with revisions, are still in use at this school and its affiliates. This project was an extension of an undergraduate honors' thesis.

**Summers 1975-1980**

**Mathematics Supervisor and Dormitory Director**

**The dePaul School Summer Program**

This eight-week summer program enrolled about 100 Learning Disabled/ADHD students from around the United States.

**May, 1980 - June, 1983**

**Director of the Individualized Study Program**

**Middle School Director**

**Woodward Academy, College Park, Georgia**

Hired and supervised teaching staff, served as point person for parent communication with boarding students' parents, responsible for student discipline, and implementation of curricular program. Also served as Director of Night Study Hall program for boarding students.

**Summers 1983-1989**

**Director, The dePaul School Summer Program**

Had overall budgeting, staffing, student discipline, curriculum, and parent communication responsibilities for program described above.

**August 1981- June 1985**

**Director of Speech and Debate**

**Woodward Academy, College Park, Georgia**

Coached numerous nationally-successful debate teams and public speakers. Organized a parent sponsorship committee, Friends of Forensics, which raised money and arranged travel.

**September, 1983 - August, 1989**

**Director of Affiliated Programs**

**The dePaul School, Louisville, Kentucky**

In this role, directed student admissions, teacher training, curricular implementation, and long-range planning for 9 school in 6 states which were affiliated with the Louisville school. During this period, began work as a school consultant and gave workshops for public and private schools.

September, 1989 - December, 1991

Behavioral and Learning Specialist

Southeastern Psychological Institute, Atlanta, Georgia

Responsibilities included psychometric evaluation, report writing, parent conferences, school consultation, and development of teacher and parent training programs. Also served as consultant to HCA (Hospital Corporation of America) in the design and implementation of their ADHD treatment program. Gave numerous workshops around the country with Dr. Edna Copeland, Institute Director.

January, 1992 - present

President of Walker Educational Consulting, Inc. Work with school districts, professional organizations, and parent support groups, providing training on a wide variety of topics, including discipline of difficult students, curricular modification, Section 504 planning, language arts and mathematics strategies for diverse learners, and long-range planning. A list of more than 600 referent school districts and professional groups for which services have provided is available on request.
